

# Folio Books Summer Reading Bingo 2019

*Welcome to the Folio Books Summer Bingo Game! Read at least 5 books in a bingo line (diagonal, vertical, or horizontal), write down the titles, and bring to Folio to collect your prize! The center space is for any book that is on your school's summer reading list, to help you get ahead on your summer assignment! A book title may only appear once on the board even though it may fit more than one category. Have fun reading this summer!*
